This role is responsible for maintaining aircraft and ensuring that all work is completed in accordance with AeroGuard Company Repair Station procedures and requirements, as well as all applicable regulatory requirements.

Responsibilities include but are not limited to:

- Must have strong interpersonal and team building skills.
- Must have excellent written and oral communication skills.
- Must be organized and can manage personnel working multiple aircraft at the same time.
- Must have the ability to read and understand technical data such as maintenance manuals, parts, catalogs, engineering drawings, service bulletins and airworthiness directives.
- Assure that work areas are kept clean and organized.
- Must be able to be flexible and work all shifts on an as-needed basis.
- Extreme attention to detail.
- Self-starter, does not wait for others to provide work, finds ways to keep busy or help others.
- Works with minimal supervision.
- Innovative/creative, finds faster ways to do things to save time for the organization and the client.
- Flexible/adaptable to fast-changing pace and instructions according to client priorities.

Education:

- Airframe and Powerplant license is required.
- IA is required.

Experience:

- A minimum of five recent and consecutive years of aircraft experience.
- Experience on Piper and Cessna aircraft is preferred.
- Experience in a leadership role within a certified 145 repair station is preferred.

Equipment/Machinery Used:

- General office equipment such as facsimile, copier, personal computer, etc.
- Vehicle operation such as company van, truck, golf cart, aircraft, etc. is required.
- Will require the use of various pieces of shop equipment and tools.
- Exposure to solvents, aviation gasoline, etc.

Physical and Safety Requirements:

- Will be working in many environments inside and outside of the facility.
- Will have extensive exposure to aircraft, simulators, outside conditions and equipment.
- May have some medium lifting to 50 lbs.
- May require prolonged periods of sitting or standing, bending and stopping.
